Summary CV Mark Weinert

Born 1972 in Munich, Germany

- 1999 Completed Medical School (TUM) in November.
- 2002 Degree Thesis in (experimental work from 1996 to 2000).
- 2005 Board examination as a Specialist in Anaesthesiology and Intensive care Medicine
- 2006 European examination in Anaesthesiology (D.E.S.A).
- 2004 - 2007 Enrolled as an emergency doctor in the Air Rescue Service in Austria.
- 2007 - 2010 Working in Wellington Hospital, New Zealand
- 2008 - 2010 Fellowship for cardiac anaesthesia and simulation
- 2010 - 2020: Working as a consultant Anaesthetist in Munich, Germany
- 2020 – present: Working as senior consultant Anaesthetist in Munich, Germany
- 2010 Founder: Dr Weinert Communications
- 2020 Co-founder: StellDirVor

My Special interests are simulation, I am an EMAC (Early Management of anaesthetic Crisis) Instructor, patient safety and communication (certified PCM® provider). PCM is a communication tool used by the NASA for recruiting and mission planning, which focuses on communication under stress.

I give frequent workshops in communication and leadership for health professionals, internationally, and I am the author of an upcoming book about communication tools for doctors to improve patient safety.

Engagement

- APS (Aktionsbündnis Patientensicherheit)
- Menschen in komplexen Arbeitswelten e. V.
- DGSiM (Deutsche Gesellschaft für Simulation in der Medizin)
- DGAI (Deutsche Gesellschaft für Anästhesie und Intensivmedizin) BDA (Bund Deutscher

- Anästhesisten)
- ESA (European Society of Anaesthesiologists)
- Working group „Nationales longitudinales Mustercurriculum Kommunikation in der Medizin“
- IARMM (International Association of Risk in Medicine)
- Co-Organisator des 2nd World Congress of Clinical Safety in Heidelberg 2013
- CIRS (Critical Incident Reporting System) Person
- Strategic leader Simulationcenters Helios until 9/2018

Books:

- Doc Why Not: Der Arzt, dem die Kiwis vertrauen, Conbook 2019, Mark Weinert
- Crashkurs Anästhesie, Elsevier 2007, Mark Weinert

Book, chapters:

- Verantwortlich Denken und Handeln in komplexen Umwelten: Hintergründe, Herausforderungen und Gestaltungsmöglichkeiten. Monika Eigenstetter (Herausgeber), 2018, Verlag für Polizeiwissenschaft
